HOBBIES

Boardgames and Jigsaw puzzles

As a child, I loved playing mind and strategy games. My parents encouraged me to play these games instead of video games, and now I understand why. These games helped me develop emotional resilience, increased cognitive flexibility, and improved my concentration, which was lacking when I was younger.

Swimming

Had a membership in a swimming club for 3 years, from 2015 to 2018.

Arts

My sister has a background in design, which is why she loves doing arts and crafts at home. I enjoy helping her with painting and resin arts, and sometimes I make pottery with my friends. I have also taken part in school art classes and assisted in making various projects.
